For a third of women, hot flashes are frequent or severe<sup>4</sup> The impact of hot flashes on quality of life is well-documented,<sup>5</sup> and hot flashes are strong drivers of health care utilization<sup>6</sup> However, hot flashes are thought to have few implications for women's physical health. Newer data challenge that assumption.

### **FLASHES, FLOATERS AND POSTERIOR VITREOUS DETACHMENT**

FLASHES, FLOATERS AND POSTERIOR VITREOUS DETACHMENT Basic Anatomy The eye works like a camera. The lens system in the front of the eye (cornea, pupil and lens) focuses light onto the back of the eye, the retina. The retina is the inner lining of the eye and works like the film in a camera; it senses light and allows you to see by

### **Resist The Devil - WordPress.com**

A person may consider such a thought as his own and take it as true, thinking that the brother really is wrong. And yet, this is not true. It is Satan who has put the thought into his mind. How is he to resist the devil? He must say, "I do not want this thought. I return it to you, Satan." Should he accept it, it will become his own thought.
